REASON FOR ALLOWANCE

1. Claims 1-11 are allowed.
2. The following is an examiner's statement of reasons for allowance: In view of the English translation of Korean priority applicant 2000-330980 (filed 6/20/00) that was submitted on December 3, 2003, the 103 rejection of claims 1-11 over Li in view of Koh and further in view of Liu is improper due to disqualification of Koh as prior art. Hence, combination of the prior art fails to render it obvious in selectively forming chemical enhancer layers on the portion of the second insulating film forming the bottom of the trench and on the portion of the lower metal layer forming the bottom of the via; and forming a copper layer on the chemical enhancer layers by means of chemical vapor deposition method in a method of forming metal wiring in a semiconductor device along with the other limitations of claims 1-11.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Lynette T. Umez-Eronini whose telephone number is 571-272-1470. The examiner is normally unavailable on the First Friday.
